- The DDP<sup>™</sup> Instructor-Supported Online course is **non-refundable and non-transferable** once the materials have been ordered and/or welcome letters have been emailed.
- The official course textbook Demand Driven Material Requirements Planning V3 (Ptak and Smith, Industrial Press) is **required** for this online course in eBook or printed textbook.
- The online instructor-supported format allows the participant to work through an organized structure that includes multiple activities associated with each chapter to facilitate learning DDP<sup>™</sup>. There is not a day or time that you would be required to be online.
- One Class + One exam to earn your Demand Driven Planner Professional (DDPP)<sup>™</sup> designation. The exam is purchased separately with DDI, it is **not** included with this course.
- Instructor assigned for 8 weeks to help you prepare for the DDPP<sup>™</sup> exam. Course is 100% Online.
- FVTC reserves the right to cancel and/or delay the class start date if class enrollment minimums are not met by the Last day to Register date listed above. Students will be notified and offered a refund, or a transfer to a later start date.
- For more information on the Demand Driven Planner Professional (DDPP)<sup>™</sup> certification exam, see <https://www.demanddriveninstitute.com/demand-driven-planner-professional>.
