- A. The application and awarding process will take time to complete; therefore, the priority dates are highly recommended. Students may apply after these dates, however, we cannot guarantee the awarding process will be completed prior to the fee due dates and out of pocket payment may be required. The FAFSA application is available online January 1 each year.
- B. If financial aid for term is not enough to pay fees in full, the student is responsible to pay the difference by the fee due date(s) (Tuition and/or Books - Financial Aid = Payment Due).
 - View financial aid awards online via your MyFVTC:
 - i. Click on the Financial Aid Awards link
 - ii. Choose the financial aid year
- C. Financial aid funding will be based on the number of enrolled credits on the Census Date.
- D. Please note that not all funds may be disbursed on this day. As funds come in they will be disbursed.
- E. Refund checks/eRefunds are processed within 1-3 business days after funds are disbursed into the student account and/or all charges have been paid in full. It is possible to receive more than one refund if aid disburses at different times. Please go to your MyFVTC and select the eFAS link to set up direct deposit.
