

DEPENDENT Verification Worksheet (V1)

What is Verification?

Your application was selected for a review process called "Verification". The Federal Processor chooses student applications for verification, and it is part of the role of the Financial Aid Office to properly complete the verification process for chosen students. In this process, we will be comparing information from your FAFSA application, the information on this worksheet, and other required documents.

The law states that we have the right to ask you for this information before awarding Federal aid. If there are differences between your application and your documentation, your FAFSA may need to be corrected.

What Should I Do?

1. Complete and sign the worksheet-you and at least one parent. The worksheet will be returned if required information is left blank.

2. Submit the completed worksheet and any other documentation to: Fox Valley Technical College
