

Margie Weiss, PhD.

Weiss Health Group, LLC
Neenah

**Fox Valley Technical College
Foundation, Inc.**

Board Secretary

Board Member Biography

As, CEO/Community Health Advocate for Weiss Health Group, LLC. Weiss helped in creating individual, company and community health connections. As a proponent for healthy, safe, sustainable communities, she facilitates the HS³™ collaborative in NE Wisconsin and assisted the Town of Menasha to establish the HSBBN initiative in 2010.

Weiss has held leadership positions in health care and education, including TCCES (Twin City Catholic Education System), the Neuroscience Group of NE Wisconsin and Occupational Health Systems of Wisconsin. Weiss has been featured at a number of national conferences, including the National Wellness Conference, the AAOHN symposium and the Health Care Design Conference and has served as chair of the LIFE Study in 2001, 2006 and 2011.
