## What do FVTC grads say about their program?

*Instructors did a great job with real world scenarios.*

*All of the instructors were very nice and worked well with everyone. Everything learned is what I needed to know for the job.*

*I feel that going to FVTC both created a well-suited environment for me as a student, and allowed me to evolve as a worker. With the help of many great instructors I entered the work force with all the tools I will need in my future.*
