Cosmetology Apprentice	17	4	100%	100%			
Data not available for: Electrical & Instrumentation Apprentice, Industrial Manufacturing Technician Apprentice, Lubrication Technician Apprentice							

Metrics shown in italics had insufficient data to report 1-year averages; 3-year averages are shown instead.

*Of those available for employment

**Of those who are employed

With an apprenticeship, you start with a job and build a career. An employer hires you and then you enroll in an apprenticeship program. Over the next two to five years, you'll learn everything you need through in-class and on-the-job training. The best part – you get paid!
