About APICS

APICS is the industry leader in supply chain certification, training and networking. For more than 60 years, APICS has provided world-class supply chain training and certification to foster supply chain talent and improve end-to-end performance. Now under the Association for Supply Chain Management (ASCM), APICS Certified in Production and Inventory Management (CPIM); APICS Certified Supply Chain Professional (CSCP); and APICS Certified in Logistics, Transportation and Distribution (CLTD) designations continue to set the industry standard. For more information, visit apics.org. As an educational provider, Fox Valley Technical College (FVTC) works closely with the Association and the local Fox Valley Chapter of APICS to provide high quality online and classroom education.

What is the APICS CPIM?

The APICS Certified in Production and Inventory Management (CPIM) designation demonstrates that you have the expertise and knowledge of production and inventory management. The APICS CPIM contains two modules; APICS CPIM Part 1 and CPIM Part 2. After taking each of the two modules, candidates must take and pass a certification exam to achieve their CPIM Certification.

How much does an APICS CPIM instructor-supported online course cost?

There are two options to purchase. The first option is the Class Option, and anyone can register for this online course that includes the APICS learning system. The Class Option course fee for the APICS CPIM Part 1 class is \$1,195.00 for ASCM PLUS Members or \$1,395.00 for ASCM Core/Non-Members. The Class Option course fee for the APICS CPIM Part 2 class is \$1,495.00 for ASCM PLUS Members or \$1,795.00 for ASCM Core/Non-Members. The member prices will not be applied retroactively. The Class Option does not include the APICS exam. Exams need to be purchased directly from ASCM. A list of study materials and exam information is available at www.fvtc.edu/APICS-CPIM.

Another option is the Bundle Option, which is available for ASCM PLUS Members **ONLY** that includes the APICS learning system, the exam, and a 2nd chance exam. The Bundle Option course fee for the APICS CPIM Part 1 class is \$1,540.00. The Bundle Option course fee for the APICS CPIM Part 2 class is \$1,840.00.

Will I have to be online at a specific time to take this class?

No, this online class does not have a required meeting time each week. This is an asynchronous class, meaning that there are no required activities that all students must attend together at a specific time; however, there are weekly deadlines for assignments. In other words, you may complete your work for each week at a time that is most convenient for you, as long as you stay current with the course schedule and meet the course deadlines.

How will I navigate through the online course?

Want to get the look and feel of the CPIM online experience? Visit our virtual tour at www.fvtc.edu/APICS-CPIM and click on bullet point "Online Virtual Tour".

Is the online class interactive?

Yes, you will submit assignments to your instructor and receive feedback within one business day and you will post to a discussion board for each chapter that allows you to communicate with other students as well. In addition, each course has educational games and interactive learning objects.

How long would it take to complete the two classes?

There are two courses to the APICS CPIM certification; the APICS CPIM Part 1 course is 10 weeks and the APICS CPIM Part 2 is 12 weeks. You can spend between 2 and 6 hours per week completing the assignments. This varies with each individual.
