at the top right of the web page. This will bring you to the My Training portal, and the class details will be displayed on the screen for the current classes that are open for enrollment. The screenshot shows the Fox Valley Technical College website. The header includes the college logo and navigation links: MyFVTC, STAFF LOGIN, NEWS & EVENTS, a search bar, and categories like FUTURE STUDENTS, PARENTS & FAMILY, COMMUNITY & ALUMNI, TRAINING & SERVICES, and ABOUT US. A breadcrumb trail reads: Training & Services / Business & Industry Services / APICS & Supply Chain / APICS CPIM Online Classes. The main content area is titled "APICS CPIM INSTRUCTOR-SUPPORTED ONLINE CLASSES" and features a large image of a warehouse with a forklift and the text "APICS CPIM". Below the image, it states: "In partnership with the Association of Supply Chain Management (ASCM), FVTC offers APICS CPIM courses in an online, instructor-supported format. Participants are assigned to an APICS certified instructor who supports their learning activities during the course." To the right of the main content, there are two buttons: "REGISTER NOW!" (circled in red) and "REQUEST INFORMATION". Below these buttons is a box for APICS Certification and Professional Development, identifying FVTC as a Premier Academic Partner and Part of the ASCM Network.

Note: The enrollment process is the same for APICS CPIM, CLTD and CSCP classes.
