
Policy Title: **College Values**

Statements of core values represent the desired educational environment and - guide the development of institutional policies and practices. The Fox Valley Technical College community affirm the following College values:

Collaborative Partnerships

We value partnerships with business, industry, labor, government, educational systems, and our communities.

Continuous Improvement

We value continuous improvement of our programs, services and processes through employee empowerment and professional development in a team-based culture.

Culture of Caring and Belonging

We value a College culture that fosters caring, empathy, and understanding in a respectful, professional environment.

Customer-Focus

We value our internal and external customers and actively work to meet their needs.

Diversity, Equity, and Inclusion

We value an educational environment that attracts and supports a diverse educational community that fosters global awareness.

Innovation

We value creativity, responsible risk-taking, and enthusiastic pursuit of new ideas.

Integrity

We value responsible, accountable, ethical behavior in an atmosphere of honest, open communication, and mutual respect.

Sustainability

We value the responsible use of resources to achieve balance among social, economic, and environmental practices.
