Rating Descriptions:

- ① = The College is falling significantly behind in successfully fulfilling this purpose and struggling to achieve any real level of success in this area. Serious consideration needs to be given to how we are doing business and results need substantial improvement.
- ② = There are several troubling issues with the College's ability to successfully fulfill this purpose and operate at an acceptable level. This purpose needs focused attention and some level of intervention to achieve improved results.
- ③ = Things are going okay, but results may be inconsistent and/or lack real strength in our ability to achieve expectations in fulfilling this purpose. Improvement efforts may need to increase to achieve better results.
- ④ = Results are more than acceptable and the College's successful fulfillment of this purpose is obvious. Efforts at continuous improvement should be maintained.
- ⑤ = The College is clearly a best practice leader in this area and results exceed expectations. Continue to fine-tune delivery strategies that support continued excellence in fulfilling this purpose.
