This policy pertains to community, employees, and students.

All Fox Valley Technical College campuses and leased facilities, including the grounds, are tobacco-free as part of the College's effort to create a safer and healthier environment for students, faculty and staff, and visitors to the College. A tobacco-free campus will prohibit use of all tobacco products including, but not limited to, cigarettes, electronic cigarettes, cigars, pipes, and chewing tobacco, in all buildings and vehicles owned and leased by FVTC. Individuals may use tobacco inside their personal vehicles; however, disposal of cigarette butts, smoking materials, or any garbage on College grounds is strictly prohibited. All violations will be recorded in writing and student violations will be forwarded to the Manager-Student Conduct and staff violations forwarded to the individual's supervisor for appropriate disciplinary action.
