

COMMENCEMENT

MAY 17, 2026

*The President, Board of
Trustees, faculty and staff of
Fox Valley Technical College
extend a warm welcome to
the friends and families of the
graduating class of 2026.*

Fox Valley Technical College

Fox Valley Technical College

Our Mission Is To:

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

Knowledge That Works

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 91% of our graduates were employed within six months of graduation. In fact, 61 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, pilots, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 40 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

To the Graduating Class

Congratulations, graduates!

Hard work. Perseverance. Dedication. Resilience. Each of these qualities and more are embodied in Fox Valley Technical College graduates. You should be extremely proud of your accomplishments!

The college community is delighted to come together today to celebrate one of the most important milestones in your life – commencement. This is a special day not only for you as you are recognized for achieving your educational goals, but also for the people who supported you along the way – family, friends, and the faculty and staff of Fox Valley Technical College.

During your time at FVTC, you have acquired the knowledge and skills that you’ll need for success in your chosen career. Our graduates are the foundation of the skilled workforce that keeps our communities strong, allows individuals and families to thrive, and supports the vitality of our region. Today, you join tens of thousands of Fox Valley Technical College alumni who positively impact their communities.

As you reflect on all of your accomplishments, I’d also urge you to think about the true meaning of “commencement.” After all, today is not the end of a journey. It is the start, a new beginning and an opportunity for you to chart your path forward. As you consider your next steps, we stand ready as a resource to help you continue your education and to enhance your skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in black ink that reads "Christopher J. Matheny". The signature is written in a cursive, flowing style.

Dr. Christopher Matheny
President
Fox Valley Technical College

Student Speaker

Jacob Sterns

Construction Management Technology
Associate in Applied Science Degree

Jacob (Jake) Sterns' interest in construction began early. At six years old, he could often be found in the backyard sandbox, refusing to leave until his latest project was properly built. That early love of working with his hands took Jake to Wyoming at the age of 18, where he worked in landscape maintenance for

the Grand Teton Lodge Company. There, he realized he wanted to pursue a career centered on building beautiful spaces alongside people who shared his passion.

Jake chose Fox Valley Technical College because he was seeking an education that emphasized hands-on learning and real-world experience. Jake credits the college's collaborative culture and flexible class options with making his educational journey such a success. The connections he formed with classmates, faculty and industry professionals were among the most meaningful aspects of his experience.

Outside the classroom, Jake teaches swing dance classes with his girlfriend and plays guitar and piano. He's an avid mountaineer who has summited mountains in several western states.

Jake co-founded Lionheart Studios, a business that helps content creators build independent personal brands. Following graduation, Jake plans to continue growing the business and pursue a career that emphasizes quality work and positive impact in the Fox Valley region.

Commencement Speaker

Chris Hess

President and Chief Executive Officer
Goodwill North Central Wisconsin (NCW)

Chris Hess serves as President and Chief Executive Officer of Goodwill North Central Wisconsin (NCW), leading the organization in advancing its mission of *Elevating People by Eliminating Barriers to Employment*. Since assuming the role in 2018, Chris has brought a renewed focus on expanding

mission impact and strengthening Goodwill's mission-integrated donated goods retail model.

Under his leadership, Goodwill NCW consistently ranks in the top quartile of the worldwide Goodwill movement for lives impacted, serving 35 counties through 28 retail locations and reinvesting an average of 90 cents of every dollar earned back into its mission. The organization has earned Charity Navigator's highest rating and was recognized as a USA Today Top Workplace in 2025 and 2026.

Chris has been named one of Wisconsin's most influential Black leaders and received Gannett's 2025 Top Leadership Award in the Northeast Wisconsin Large Business category. His board service includes leadership roles with Goodwill Industries International, SECURA Insurance, First Business Bank, and regional economic development organizations.

Prior to Goodwill, Chris held leadership roles with ThedaCare, U.S. Venture, and Genco (FedEx Supply Chain). A Wisconsin native, he holds an MBA from the University of Wisconsin-Oshkosh and lives in Appleton with his wife and two children.

Commencement Program

Processional Pomp and Circumstance, Brass Menagerie	
Introduction of Divisions	Dr. Jennifer Lanter Vice President - Learning & Chief Academic Officer <i>Agriculture, Manufacturing & Engineering Program Candidates Aviation, Construction & Transportation Program Candidates Business & Information Technology Program Candidates General Studies Program Candidates Health Program Candidates Public Safety Program Candidates Service Program Candidates</i>
Opening of Ceremony	Bob Ebben President, Faculty Association
National Anthem	MLC Quartet
Welcome Remarks	Dr. Christopher Matheny President, Fox Valley Technical College
Greeting from the Trustees	Mike Slowinski Chairperson, FVTC Board of Trustees
Recognition of Deans, Faculty & Staff	Dr. Jennifer Lanter
Introduction of Student Speaker	Elizabeth Burns Vice President - Student Success
Student Address	Jacob Sterns Construction Management Technology, Associate in Applied Science Degree
Introduction of Commencement Speaker	Dr. Jennifer Lanter
Commencement Address	Chris Hess President and Chief Executive Officer, Goodwill North Central Wisconsin (NCW)
Recognition of Honor Graduates	Elizabeth Burns
Conferring of Degrees	Dr. Christopher Matheny
Closing	Bob Ebben
Recessional	<i>Trumpet Voluntary</i> , Brass Menagerie

Today's ceremony is being livestreamed with captioning. To view the video recording after the event, visit www.fvtc.edu/Commencement.

As a courtesy to graduates and guests, please remain seated during the ceremony. Professional photos will also be taken and offered to each graduate.

An interpreter will be signing today's ceremony next to the stage.

The list of graduate candidates may be incomplete due to printing deadlines. This program is not an official college document and does not certify actual grade point average or that the candidate has successfully completed degree requirements.

Photos taken by Fox Valley Technical College during the event may be used for promotional purposes.

Agriculture, Manufacturing, & Engineering Technologies Program Candidates

Presented by Chris Dragosh, Dean

Agribusiness Agronomy Technician - Technical Diploma

*GREGORY J. BENDER

Agribusiness Dairy Technician - Technical Diploma

*JESS D. WHITBECK

Agribusiness Management Technician - Technical Diploma

Ceremonial History & Regalia

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
Fine Arts, Architecture	Brown	Social Work	Citron
Forestry	Russet		

Honor graduates in today's ceremony are distinguished by the gold cords draped over their shoulders.

Phi Theta Kappa (PTK) Honor Society

Phi Theta Kappa is an international honor society which recognizes and encourages scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunities for developing leadership and service skills, exchanging ideas and ideals in an intellectual climate, developing lively friendships between scholars and stimulating interest in continuing academic excellence. To be eligible for induction to Phi Theta Kappa, a student must have completed 12 or more associate degree credits with an overall cumulative grade point average of 3.5 or higher.

College Board of Trustees
