

COMMENCEMENT

MAY 21, 2021

*The President, Board of
Trustees, faculty and staff of
Fox Valley Technical College
extend a warm welcome to
the friends and families of the
graduating class of 2021.*

Fox Valley Technical College

Fox Valley Technical College

Our Mission Is To:

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

Knowledge That Works

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 93% of our graduates were employed within six months of graduation. In fact, 68 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 40 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

To the Graduating Class

Congratulations, graduates!

As we conclude a very challenging 2020-21 academic year, the college community comes together in a virtual venue this spring to celebrate one of the most important milestones in your life – commencement. While not an ideal way to celebrate and congratulate, we need to acknowledge this special moment in time not only for you as you are recognized for achieving your educational goals, but for the people who have supported you along the way.

You should be very proud of your accomplishments. During your time at Fox Valley Technical College, you have acquired the knowledge and skills that you'll need for success in your chosen career. You have also grown as an individual. For many of you, the support and encouragement of family and friends have enabled you to succeed. They surely take great pride in your achievement.

The college's faculty and staff also share this feeling of pride and admire the hard work and perseverance you have demonstrated in achieving your goals. We share your excitement as you begin the next stage of your life's journey, even in these uncertain times.

Commencement, however, doesn't mark an end to education. Instead, it is truly just the beginning, as lifelong learning will be essential in meeting the challenges of the ever-changing workplace. We stand ready as a resource to help you continue your education and to enhance your employability skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in cursive script that reads "Susan A. May". The signature is written in dark ink and is positioned to the left of the typed name and title.

Dr. Susan A. May
President

Fox Valley Technical College

Student Speaker

Shasi Pierotti
Practical Nursing
Technical Diploma

Shasi came to Fox Valley Technical College as a recipient of the college's Promise Scholarship, a program that allows students who meet certain eligibility requirements to complete a college program at no cost. After finishing her Certified Nursing Assistant course in high school, FVTC supported her goal of becoming a nurse while staying close to home.

Being in nursing school during a pandemic has been a challenge, but Shasi credits her instructors with being a driving force in helping her complete her program. When not in school, Shasi has done missionary work, and has volunteered at area nursing homes and a local humane society. After graduation, Shasi plans to continue her education and become a registered nurse.

Commencement Speaker

Anthony Gonzalez
Vice President of Community Development
United Way Fox Cities

Tony Gonzalez has served as the Vice President of Community Development for United Way Fox Cities since 2013. In this role he develops, implements and oversees strategies to achieve the community impact work of United Way Fox Cities through planning, staff and volunteer development and establishment of partnerships. Tony is responsible for the development of community initiatives and distribution of resources. He is also responsible for outcomes which hold United Way accountable for achievement of impact strategies and effective utilization of community resources.

Prior to his service at United Way, Tony has worked in the Fox Cities since 1990 with other nonprofit organizations such as the American Red Cross and Lutheran Social Services.

He has a Bachelor of Science degree from UW Oshkosh, with a double major in Social Work and Criminal Justice.

Among his many volunteer commitments, Tony was a member of the FVTC Board of Trustees from 2013 to 2019, including serving as Board Chair in 2018-2019.

Ceremonial History & Regalia

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
Fine Arts, Architecture	Brown	Social Work	Citron
Forestry	Russet		

Honor graduates in today's ceremony are distinguished by the gold cords draped over their shoulders.

Phi Theta Kappa (PTK) Honor Society

Phi Theta Kappa is an international honor society which recognizes and encourages scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunities for developing leadership and service skills, exchanging ideas and ideals in an intellectual climate, developing lively friendships between scholars and stimulating interest in continuing academic excellence. To be eligible for induction to Phi Theta Kappa, a student must have completed 12 or more associate degree credits with an overall cumulative grade point average of 3.5 or higher.
