

# COMMENCEMENT

MAY 15, 2022

*The President, Board of  
Trustees, faculty and staff of  
Fox Valley Technical College  
extend a warm welcome to  
the friends and families of the  
graduating class of 2022.*

## *Our Mission Is To:*

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

## *Knowledge That Works*

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 92% of our graduates were employed within six months of graduation. In fact, 68 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, pilots, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 40 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

# *To the Graduating Class*

---

Congratulations, graduates!

Hard work. Perseverance. Dedication. Resilience. Each of these qualities and more are embodied in Fox Valley Technical College graduates. You've completed your education amidst some of the most challenging circumstances in recent memory. You should be extremely proud of your accomplishments!

The college community is delighted to come together today to celebrate one of the most important milestones in your life – commencement. This is a special day not only for you as you are recognized for achieving your educational goals, but also for the people who supported you along the way – family, friends, and the faculty and staff of Fox Valley Technical College.

During your time at FVTC, you have acquired the knowledge and skills that you'll need for success in your chosen career. Our graduates are the foundation of the skilled workforce that keeps our communities strong, allows individuals and families to thrive, and supports the vitality of our region. Today, you join tens of thousands of Fox Valley Technical College alumni who positively impact their communities.

As you reflect on all of your accomplishments, I'd also urge you to think about the true meaning of "commencement." After all, today is not the end of a journey. It is the start, a new beginning and an opportunity for you to chart your path forward. As you consider your next steps, we stand ready as a resource to help you continue your education and to enhance your skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in black ink that reads "Christopher J. Matheny". The signature is written in a cursive, flowing style.

Dr. Christopher Matheny

### Hunter Peterson

Human Resources

Associate in Applied Science Degree

While obtaining a GED high school credential at Fox Valley Technical College, Hunter Peterson fell in love with the college and quickly recognized they wanted to continue their education at FVTC. Having navigated adversity throughout their childhood, Hunter chose to pursue an associate degree in Human Resources. Hunter's career goal includes advocating for safe and inclusive work environments while supporting marginalized communities.

Hunter has been involved in the Society for Human Resource Management (SHRM) student chapter at FVTC and plans to take the SHRM certification exam this summer. They are currently working in the Human Resources field as a recruiter with an Oshkosh nonprofit agency dedicated to providing care and services to individuals who need acute care, including those with disabilities and special needs. Hunter has been accepted at Franklin University in Columbus, Ohio where they will pursue a bachelor's degree in Human Resources.

Hunter credits FVTC instructors for being mentors and advisors in helping them navigate their career path. Hunter also credits the WIOA Program/The Brighter Star Scholarship, which helps former foster youth who have aged out of the program.

### Patti Habeck

President & CEO

Feeding America Eastern Wisconsin

As Feeding America Eastern Wisconsin President and CEO, Patti Habeck leads the largest hunger-relief organization in the state. With a footprint of 35 counties, she supports a network of more than 400 food pantries, meal programs, and hunger-relief organizations which together serve the one in seven Wisconsinites facing hunger.

To achieve the Feeding America Eastern Wisconsin mission to solve hunger, Patti uses innovation, collaboration, partnerships, and determination to address one of the most complex and dynamic concerns facing the community.

Patti serves as an executive board member of FaB Wisconsin, the statewide food and beverage industry cluster organization, as well as the board for Feeding Wisconsin as vice president. She received the Northwestern Mutual Leadership Award at the Donald Driver Foundation's 2019 Driven to Achieve event. She also received the ATHENA Leadership Award at the Fox Cities Chamber Pinnacle Awards ceremony.

Patti earned a bachelor's of Science from the University of Wisconsin-Eau Claire and a master's degree in Education from the University of Wisconsin-Platteville. She and her husband Kevin live in the Fox Valley. They have three adult children.

# *Ceremonial History & Regalia*

---

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
Fine Arts, Architecture	Brown	Social Work	Citron
Forestry	Russet		

Honor graduates in today's ceremony are distinguished by the gold cords draped over their shoulders.

## *Phi Theta Kappa (PTK) Honor Society*

---

Phi Theta Kappa is an international honor society which recognizes and encourages scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunities for developing leadership and service skills, exchanging ideas and ideals in an intellectual climate, developing lively friendships between scholars and stimulating interest in continuing academic excellence. To be eligible for induction to Phi Theta Kappa, a student must have completed 12 or more associate degree credits with an overall cumulative grade point average of 3.5 or higher.
