

COMMENCEMENT

DECEMBER 18, 2020

*The President, Board of
Trustees, faculty and staff of
Fox Valley Technical College
extend a warm welcome to
the friends and families of the
graduating class of 2020.*

Fox Valley Technical College

Fox Valley Technical College

Our Mission Is To:

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

Knowledge That Works

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 94% of our graduates were employed within six months of graduation. In fact, 80 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 40 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

To the Graduating Class

Congratulations, graduates!

As we conclude a very challenging 2020, the college community comes together in a virtual venue to celebrate one of the most important milestones in your life – commencement. While not an ideal way to celebrate and congratulate, we need to acknowledge this special moment in time not only for you as you are recognized for achieving your educational goals, but for the people who have supported you along the way.

You should be very proud of your accomplishments. During your time at Fox Valley Technical College, you have acquired the knowledge and skills that you'll need for success in your chosen career. You have also grown as an individual. For many of you, the support and encouragement of family and friends have enabled you to succeed. They surely take great pride in your achievement.

The college's faculty and staff also share this feeling of pride and admire the hard work and perseverance you have demonstrated in achieving your goals. We share your excitement as you begin the next stage of your life's journey, even in these uncertain times.

Commencement, however, doesn't mark an end to education. Instead, it is truly just the beginning, as lifelong learning will be essential in meeting the challenges of the ever-changing workplace. We stand ready as a resource to help you continue your education and to enhance your employability skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in cursive script that reads "Susan A. May". The signature is written in dark ink and is positioned above the printed name and title.

Dr. Susan A. May

Student Speaker

Chanel Becker

Occupational Therapy Assistant
Associate in Applied Science Degree

As a child, Chanel knew she wanted to study occupational therapy. She witnessed first-hand the transformative work of occupational therapy; her niece was born with a genetic disorder and Chanel watched with amazement as occupational therapists taught her niece to function independently.

After completing her bachelor's degree, Chanel decided to pursue her 'perfect degree' and enrolled in the Occupational Therapy Assistant program at Fox Valley Technical College.

She enjoys helping others help themselves, and strives to build in others a feeling of hope and independence. In her time at Fox Valley Tech, Chanel has especially appreciated the expertise and compassion of her teachers.

After graduation, Chanel plans to continue working as a respite provider while studying for her National Board Certification in Occupational Therapy exam.

Commencement Speaker

Becky Bartoszek

Becky currently serves on the New North Board of Directors, the Coordinating Committee for Imagine Fox Cities, and the Advisory Board for the Wisconsin Chamber of Commerce Executives. In addition, she is currently appointed by Governor Evers to his Advisory Council on Workforce Investment where she serves as the co-chair of the Workforce Innovation and Opportunity Committee.

Becky and her husband Brian live in the Freedom area with their two teenagers, Ben (18) and Annabel (16.) They enjoy watching their children play sports and making short trips to their cottage in the Upper Peninsula of Michigan.

Ceremonial History & Regalia

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
