

Making College Possible

Since joining the FVTC Foundation, Inc. team in December 2018, I have been continuously amazed by the caring community supporting FVTC students and their success. Generous donors and friends like you Make College Possible for thousands of students each year who otherwise might never achieve their education and career goals. Together, we are changing lives and improving the economic vitality of our region.

On behalf of the FVTC Foundation board of directors and staff, thank you for joining us in this important work!
