SCRAMBLE RULES

Method of Play –

Each foursome competes as a team for the LOWEST TEAM SCORE for the 18 holes.

1. Play begins with each team member teeing off.
2. The team decides which drive is the most desirable.
3. The other members of the team pick up their balls and proceed to the spot of the selected drive, where they will hit their second shots.
4. The better of the second shots is then chosen. The team will then hit all their shots from that spot.
5. This procedure is repeated until the ball is in the hole.
6. At the end of the hole, the score for the group is recorded on the card.

Other Rules –

1. Place all balls within 12” of the original ball.
2. In placing the ball, you may not change the condition of the shot. If the ball is in a hazard or rough, all members of the team must play their shot from the hazard or rough, respectively.
3. On the putting green, give each person a shot at the first putt. Do not hole out a short putt if you have missed your first putt. The first ball in must count. Mark your ball and wait.
4. If playing as a threesome, one member of the threesome may, on a rotational basis, hit or putt an extra time to compensate for the fourth person.

EACH PLAYER MUST CONTRIBUTE AT LEAST TWO DRIVES

Please turn your score card in to the pro shop at the end of your round.
Have a great day – thank you for joining us!
