TECHNICAL COLLEGE  
FOUNDATION INC.

# 2022 IMPACT REPORT

## You Make College Possible!

Each year, the FVTC Foundation provides scholarships, emergency assistance grants and program support to help our students succeed.

Starting Point is just one innovative program supported by the FVTC Foundation. This two-generation workshop is for women from low-income households and their children. It helps them determine the barriers they face to enrolling at FVTC and prepares them for success. At the same time, their children receive high-quality early childhood education which builds a strong foundation for future school readiness.

Since 2017, 104 women and 98 children have benefited from Starting Point, with 77% pursuing post-secondary education or working toward their GED.

**Our community thrives because of your investment in FVTC students. Thank you!**

*Becky Boulanger, Executive Director*

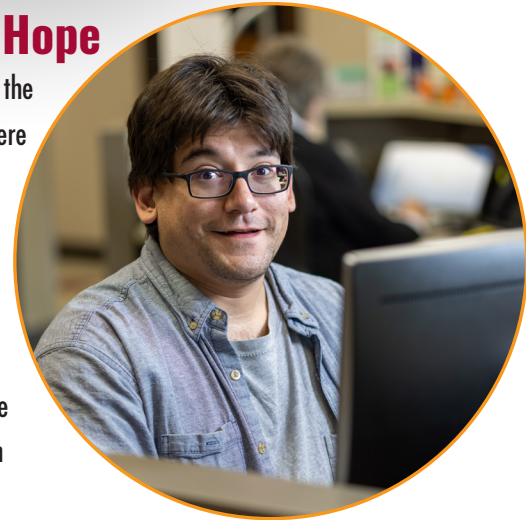

### FVTC Foundation Mission

Partnering with FVTC to cultivate community relationships and philanthropic support that enhance the mission and vision of FVTC.

## Providing Help & Hope

When Zachery needed a car repair the week of finals, he had no idea where to turn. He shared his situation with a faculty member who suggested he apply for a Seeds of Hope emergency assistance grant. The grant covered the cost of the repair and allowed him to complete the semester as he commuted from Waupaca.

***"If it wasn't for the Seeds of Hope grant, I would not have made it to my finals and I don't know what would have happened. I am so grateful."*** Zachery is enrolled in the Substance Use Disorder Counseling program and plans to work as a counselor in recovery.

When a student receives a grant, they are asked to pay it forward by doing something for someone else. Zachery helps others by sharing his own experiences and recovery story, and by offering his counseling skills to those who may not be able to afford specialized treatment or programs.

**Seeds of Hope is the largest emergency assistance fund held at the FVTC Foundation. Students can receive up to \$500 for rent, utilities, car repairs, medical bills or other expenses to help them stay in school.**

**\$62,536**  
Emergency Assistance  
Grants Awarded

**223**  
Students Received  
Emergency Assistance

# Thank You

351  
Scholarship Funds

Thank you so much for awarding me a scholarship! It allows me to remain positive and move forward with my school and career goals. With this money, I will be able to pay for gas to go to school and for childcare. I cannot thank you and FVTC enough for investing in me. I will not let you down!

After my associate degree at FVTC, I plan to pursue a bachelor's degree.

**Scholarship**

\$812,592  
Total Scholarships  
Awarded

A degree in Pilot Training is expensive, but it is an investment that is certainly worthwhile. Thanks to the scholarship I received, I am one step closer to my goal! You have lightened my financial burden which allows me to focus on the most important aspect of school – learning and flying. Your generosity has inspired me to help others and give back to the community. I hope that one day I will be able to help students achieve their goals just as you have helped me.

**Sean Paul Gonia Aviation Scholarship**

1,142  
Students Received  
Scholarships

It is an honor to receive the Anna J. Schmitt scholarship, I am very humbled and excited to be able to continue my passion for education and I am looking forward to being in the classroom.

I am continuing my education at UW-Stevens Point to double major in Early Childhood and Elementary Education so I can teach kids from Pre-K to Grade 9.
