

## Questions to Ask When Choosing a College

Choosing a college can be an exciting and overwhelming process. Make sure you have all of the information you need by considering the questions below:

College Name: \_\_\_\_\_

- Which degrees are offered? Is the program you are interested in available?
- What are the admission requirements?
- How much will it cost? Are financial aid and scholarships available?
- Will your credits transfer?
- Is the college accredited?
- What is student life like? What types of organizations and activities are offered?
- What type of employment support is available for graduates?
- Where are graduates working?
