What is the TEAS (Test of Essential Academic Skills)?

Each question on the TEAS V is mapped to one of 115 objectives, all of which address topics presented in grades 7 through 12.

The TEAS V is a proctored, online assessment involving 170 questions, including 20 “unscored” pretest questions, which cover the following content areas: reading; mathematics; science; and English and language usage. It will be proctored at FVTC.

What is covered in each of the four content areas being assessed on the TEAS?

- **Reading (42 questions)** - paragraph comprehension, passage comprehension, and informational source comprehension.
- **Math (30 questions)** - numbers and operations, algebraic applications, data interpretation; measurement.
- **Science (48 questions)** - human body science; life science, earth and physical science, scientific reasoning.
- **English and Language Usage (30 questions)** - grammar and word meanings in context, sentence structure, punctuation and spelling.

**How much time does it take to complete the TEAS?**

- The maximum amount of time allotted for the TEAS is 209 minutes (about 3.5 hours). Each section is timed: Reading = 58 minutes; Math = 51 minutes; Science = 66 minutes; English = 34 minutes. There is not a break between sections.

**Is a photo ID required?**

- For identification purposes, a valid photo ID is required to take the ATI TEAS V test. Please bring an ID when you test.
