

# Your Future Awaits!

Explore Your Options With Fox Valley Technical College

## During High School

### Start College Now & Dual Credit

#### Option 1: Juniors & Seniors

Start College Now covers FVTC courses at no cost to you.

Dual Credit lets high school teachers offer college credits in their classes.

### University Transfer Academy

#### Option 2: Seniors

Take in-person classes at FVTC's Appleton campus during your school day to earn 27 college credits towards an Associate of Arts or Science degree.

## Benefits for Students

Start your journey toward a bachelor's degree with FVTC's University Transfer programs.

Earn an Associate of Arts or Science degree designed to seamlessly transfer to four-year universities.

With guaranteed junior status at partner schools, you'll save money while completing general education courses in a supportive, in-person environment.

## After High School

### Associate of Arts

Take general education courses with a focus on humanities and social sciences to prepare for a four-year university transfer.

Join partnered schools with guaranteed junior status.

### Associate of Science

Take general education courses with an emphasis in math and the natural, & biological sciences to prepare for a four-year university transfer.

Join partnered schools with guaranteed junior status.
