Dates: June 18–21 8:30 AM–3:30 PM Build your own 4 day schedule

June 18 – FVTC or Nicolet

June 19 – NWTC or Mid State or Blackhawk or Southwest

June 20 – Lakeshore or Northcentral or Gateway or Western

June 21 – Moraine Park or Indianhead

Cost: \$780.00 if by check **\$801.45** if by credit card (transportation & lodging NOT included)

Credits: 3 graduate credits

Instructor: Mike Valentyn 920 284-0277
valentyn.mike@gmail.com

I. Course Description:

Students will participate in hands on learning experiences in a variety of technical college programs and services. Travel is required to four different Wisconsin Technical Colleges **chosen by the educator** to tour and participate in an interactive educational program.

II. Course Objectives:

1. Acquaint participants with programs and services of the technical college system and career opportunities for students in the 21st century.
2. Develop a “plan of action” to implement in classroom(s) or districts disseminating information and services of technical colleges and career opportunities. Each individual or team will write a plan of action consisting of learning outcomes; activities and resources; and a time frame for implementation of the plan. Details will be explained the first day at orientation.

III. Course Requirements:

Active participation is required for all scheduled lectures, presentations and hands on activities associated with the course. **A reflection paper including a plan of action must be submitted by June 28th.**

NOTE: Morning refreshments and lunch will be provided on each campus.

How to register:

On Tuesday, March 13, 2018 at 8:30 AM registration opens on a first-come, first-served basis.
Register on-line at www.fvtc.edu/wtcstour

Registrants will be contacted by Mike Valentyn, outlining the process to select technical colleges, and provide payment, which will complete the registration process. **Please whitelist the following email address:**
