# Frequently Asked Questions

### What is the ATI TEAS (Test of Essential Academic Skills)?

The TEAS is used as an admissions tool to predict future health science academic success. Each question on ATI TEAS is mapped to one of 115 objectives, all of which address topics presented in grades 9 through 12.

ATI TEAS is a proctored, online assessment with 170 questions, including 20 "unscored" pretest questions. It will cover the following content areas: reading; mathematics; science; and English and language usage. It will be proctored at FVTC (Appleton campus only).

### What is covered in each of the four content areas being assessed on the TEAS?

**Reading**—key ideas and details; craft & structure; integration of knowledge & ideas. **Math**—numbers and algebra; measurement & data.

**Science**—human anatomy & physiology; life and physical sciences; scientific reasoning **English and language usage**—conventions of standard English; knowledge of language; vocabulary acquisition

# How much time does it take to complete the TEAS?

The maximum amount of time allotted for the TEAS is 209 minutes (3 hours and 29 minutes).

Each section is timed:

Reading = 64 minutes (53 questions) Math = 54 minutes (36 questions) Students are allowed a 10-minute break after the Math section. Science = 63 minutes (53 questions) English = 28 minutes (28 questions).

# Is a photo ID required?

For identification purposes, a valid *government-issued* photo ID is required to take the ATI TEAS. Please bring your ID to your scheduled testing appointment. You will not be allowed to test without it. Make sure your name on your ID matches FVTC's records. If names do not match, you will not be allowed to test.
