Financial Aid Satisfactory
Academic Progress Appeal

Name: ______________________________ ID# __________________

Phone # __________________________ E-mail: __________________________

You have the right to appeal the loss of financial aid due to not meeting the satisfactory academic progress policy. The U.S. Department of Education regulations state that a student must meet one of the following criteria to appeal suspension from financial aid:

- Death of an immediate relative of the student
- Injury or illness of the student
- Other circumstances that result in undue hardship to the student

The following items are required to appeal. Please provide the following:

- **Written Personal Statement**
  - Explain the circumstances which caused you to not meet the required Financial Aid Satisfactory Academic Progress standards ([www.fvtc.edu/finaid/fasappolicy](http://www.fvtc.edu/finaid/fasappolicy)).
  - Explain what steps you have taken to remedy the circumstances that prevented you from maintaining satisfactory progress.
  - Describe what FVTC resources you have used to help you maintain satisfactory academic progress (academic advising, tutoring, etc.).
  - Describe your plan for the future to ensure that you will meet the standards.

- **Additional Documentation**
  - See the back side of this form for examples of acceptable types of third-party documentation that will be used to substantiate the basis of the appeal.

**Please note:** Upon completion of the initial review, you may be required to set up an appointment with your program counselor to complete an Academic Success Plan. You will be notified if this becomes a requirement.

I certify that the information provided on this form, in my written statement and in the attached documents are true and accurate. If this appeal is approved, I understand that I must take only those classes listed by my counselor as required by my program and not yet completed, and I must successfully complete all classes attempted.

Appeals received within 30 days of notification will be reviewed within 15 business days of receipt of all required documentation. If submitted after the 30 day deadline, the student will not be eligible for aid during the term of submission, and the appeal will not be reviewed until that term has ended. The results of your appeal will be emailed to your email address, or if not available, mailed to the address on your FVTC account.
