Per federal regulations, FVTC is required to monitor all credits attempted. Students who attempted more than 150% of the number of credits required for graduation are subject to Financial Aid Suspension.

You have the right to appeal the loss of financial aid due to exceeding the 150% Rule policy because of extenuating circumstances. The following are the steps to appeal:

➢ Please explain in writing the reason(s) why you exceeded the 150% rule limit. Attach to the letter any pertinent documentation, including a list of the courses needed to complete your program and your anticipated graduation date.

Submit this form and all documentation to Financial Aid, Rm. E118, or mail to FVTC, PO Box 2277, Appleton, WI 54912.

I certify that the information provided on this form and in my written statement and attached documents are true and accurate. If this appeal is approved, I understand that I must take only those classes listed by my counselor as required by my program and not yet completed, and I must successfully complete all classes attempted.
