

# LIFE'S GREATEST FAILURE: The Failure to Try

*Special guest speakers: Tom & Jen Satterly*

Proven experience of leadership and critical decision making skills in high-risk environments, Tom Satterly is a highly decorated combat veteran; having served in the Army 25 years, the last 20 in the US Military's most elite Tier One Unit, Delta Force. He has been involved in and led, some of our nation's important campaigns. The Oscar Winning 2001 film: Black Hawk Down portrayed some of the devastating losses and triumphs Tom and his teammates personally experienced during the longest sustained firefight since Vietnam. Tom's new mission is to help veterans who feel isolated in their struggle to know they are not alone. He is committed to raising awareness of PTSD among many other issues that Veterans deal with on a daily basis.

Tom's wife, Jen, will also present on how spouses can empower themselves and support loved ones with PTSD and/or Suicidal Ideation. Jen is uniquely qualified to speak of the challenges facing the Veteran's spouse and family after a lifetime of supporting the choice to serve, the struggle to re-integrate with the family, the community and life in general. There is no greater pain than watching a loved one suffer and experiencing the degeneration of the marriage and the family that happens simultaneously.
