Motor carrier officers are armed uniformed members of the Michigan State Police Commercial Vehicle Enforcement Division, specializing in commercial vehicle enforcement. Motor carrier officers enforce traffic safety laws on commercial vehicles, protect the infrastructure through aggressive size and weight enforcement, conduct commercial vehicle and driver inspections, and contribute to homeland security efforts by enforcing hazardous material regulations. The Michigan State Police trooper performs a full range of law enforcement assignments and is a certified police officer by the Michigan Commission on Law Enforcement Standards (MCOLES). A trooper typically works out of a State Police post and patrols the roads of an assigned geographical area to prevent or detect traffic law violations, conducts investigations of law violations, and provides a variety of related services to the public.

Mission Statement

The mission of the Oconto County Sheriff's Office is to serve and protect our citizens through fair and impartial treatment. While continuing to improve, we will build respectful and trusting partnerships to enhance the quality of life for our community.

General Information

The Communications Center is the direct link between citizens and the County's Emergency Response Services. The dispatchers screen and handle all calls for service and provide support for all field operations. Dispatchers must be able to field numerous incoming calls each day, determine the best course of action, and forward that information to the appropriate resource. Not only must dispatchers be able to handle these calls for assistance, but they must also monitor multiple radio frequencies, dispatch calls to the police units, access a variety of local, state, and federal databases, assign report numbers, and track officer's activity in the field.

Our Mission

Mission and Value Statement of the Oconto County Communications Center:

To work collaboratively with Police, Fire and Medical personnel in order to reinforce our continuing commitment to excellence and to provide quality customer service to the citizens, responders and visitors of Oconto County in an expedient, professional and compassionate manner; to support the delivery of quality Police, Fire Rescue and Emergency Medical services through the application of the industry's best public safety communications standards, operational guidelines, administrative practices as well as the utilization of cutting edge technology; to facilitate the development of highly trained, proficient, dedicated and self-motivated personnel; to enhance the quality of life of every person in Oconto County, Wisconsin by receiving and processing 9-1-1 emergency calls and non-emergency calls and be dispatching Police, Fire and Emergency Medical Service units in a prompt, efficient, courteous and professional manner; to save lives, protect property and to assist the public, thus making Oconto County, WI a safer and more enjoyable community in which to live, work and visit.

Minimum requirements

Before an applicant may begin employment as a State Patrol trooper or inspector, they must meet recruitment qualifications established by the State of Wisconsin, the Law Enforcement Standards Board and the Wisconsin State Patrol.

These recruitment qualifications are as follows:

1. Authorization to work in the United States (form I-9).
2. Male applicants between the ages of 18 through 25 must be registered with the Selective Service as mandated in Wis. Stats. 230.143. (This registration requirement does not apply to female applicants.)
3. No felony convictions or any offense which if committed in Wisconsin could be punished as a felony.
4. Valid driver's license or other valid operator's permit recognized by the Wisconsin Department of Transportation prior to completion of the preparatory training course.
5. Minimum age requirement of 18 years.
6. Possession of high school diploma/GED.
7. Possession of a two-year associate degree from an accredited college or university; OR have earned at least 60 associate degree level credits or higher.
 - Credits must be obtained prior to commencing employment.
 - Applicants who anticipate 60 college credits by the start of the training at the State Patrol Academy ARE eligible to compete in the recruitment process.
 - All college credits are applicable.
8. Good character as determined through applicant fingerprinting search and a background investigation conducted by Wisconsin State Patrol.
9. Free from any physical, emotional or mental conditions, which might adversely affect performance of duties as a law enforcement officer.
10. No more than a 20 decibel hearing loss (uncorrected) in either ear at 1000, 2000, 3000 and 4000 hertz.
11. Minimum uncorrected vision of 20/100 in each eye. Vision must be correctable to 20/20. Weak eye corrected vision can be 20/30, with binocular vision of 20/20.

State Patrol Academy

Successful applicants will begin their employment as "cadets" and undergo approximately 25 rigorous weeks of comprehensive paid law enforcement training at the State Patrol Academy. These weeks of law enforcement training are a requirement of even the most qualified Cadets regardless of previous law enforcement experience, education or training. Cadets must live at the academy during the week and return home on the weekends. There is no charge for room and board at the academy.

Prior to graduating the academy, employees will need to complete the same physical readiness test and meet more stringent physical standards. Upon satisfactory completion of training and the physical readiness test, cadets will be sworn in as State Patrol troopers or inspectors and assigned to one of five regions around the state. Geographical selection and placement for these positions shall be determined by academic class rank, with the cadet having the higher rank selecting the first vacancy of their choice, etc. Therefore, cadets must be willing to accept any geographical location and classification (trooper or inspector) throughout the state. After receiving their assignment, cadets may be eligible for moving expense reimbursement, temporary lodging and a stipend of \$1,000.
