

Preventive Medication Coverage

Effective January 1, 2015

Humana is committed to meeting your unique healthcare needs. Listed below are medicines available to you at no cost.* This list may not apply to all healthcare plans and may change over time. To understand your plan's prescription drug benefit, sign in to Humana.com. You can also call a Humana Customer Service representative at the phone number on the back of your Humana member ID card. Some restrictions may apply.

* You must have a prescription from your doctor for us to process a claim for preventive medicines or products under your pharmacy plan. This includes over-the-counter items.

Preventive Drug List

Effective January 1, 2015

Welcome to Humana

On the following pages, you will find a list of commonly prescribed drugs in alphabetical order. The list provides information about Humana's Preventive Drug List. This is not a complete list and is subject to change.

The Preventive Drug list :

A subset of Humana's current drug list. These drugs are preventive in nature, based upon the IRS definitions, and access to these drugs would be available before the member meets their deductible.

Copayment amounts for each level vary by plan and are listed on your Humana member ID card
