**Village of Fox Crossing Fire
Department**

Kim Burdick

kburdick@foxcrossingwi.gov

920-720-7101

Fox Crossing Fire Department (FCFD) was established in 1938, serving the residents of Northern Winnebago County with a population of 19,084 operating out of two Fire Stations (Station 40 and Station 41). Four Engines, one Ladder, one Rescue and three Command Cars handle 1,100 calls for service annually. FCFD is one of 270 Internationally Accredited Agencies in the world; 11% of the U.S. population is protected by an accredited agency. Our Department operates with a combination staffing model. This unique staffing model allows opportunity for both Part-Time and Paid-On-Call applicants to be a part of the department.

Paid-On-Call (POC) firefighters are the back bone of Fox Crossing Fire Department. These are dedicated community members serving in the capacity of Firefighters, Driver Operators and Company Officers. This group of employees are assigned a pager and will respond from home to the fire station when a call comes in. No experience is necessary for POC firefighters and we will always train the right candidate.

Part-Time firefighters are another part of our staffing model. These employees work at the Fire Station during the week M-F, 0800-1630, and/or on the weekends on 12-hour shifts. The part-time firefighters are responsible for handling all calls that come in during their shift. Day to day work is completed at each station including cleaning, vehicle checks, training, building inspections and maintenance.

The recruit training program consists of 40 hours of training before being assigned a mentor and a task book to be completed. The FVTC internship program (400 hours) runs parallel to our training program and provides an opportunity to earn money while working to complete the internship. Experience is the number one thing that firefighters receive while employed at Fox Crossing. This experience is invaluable for those that are seeking full-time employment as a firefighter.

The Department also has an 501(c)3 organization called The Fox Crossing Fire Association Inc. that is responsible for all fund raising events. All current members of the FCFD are eligible for membership.

For more information contact Chief Harbison at 920-720-7125 or visit our website at: <http://www.foxcrossingwi.gov/>.

Firefighters, POC Firefighters

Village of Fox Crossing Police Department

Kim Burdick

kburdick@foxcrossingwi.gov

920-720-7101

The Village of Fox Crossing is an urban village located in the heart of the Fox Cities, in Northeast Wisconsin. We are a newly formed village; formerly the town of Menasha, with a population of 19,084. We offer the services of a large community but have been able to maintain a relatively low tax rate due to managed growth and the exercise of fiscal responsibility.

The Fox Crossing Police Department exists for the purpose of providing an enhanced level of public safety in the community, protecting the constitutional rights of all people, and improving the quality of life of each citizen.

The Fox Crossing Police Department intends to use every available opportunity to contact citizens and community leaders in an effort to solicit their assistance in the continuation of quality service. We are committed to providing a high level of professional and courteous service to our community. We know that success can only come from a close working relationship between the police department and the community.

Although the Fox Crossing Police Department has no current openings, we are looking to build our next eligibility list for the position of Police Officer. Our Police Officers patrol the streets, highways, and public areas of the community. These officers investigate traffic accidents, enforce statutes, local ordinances and traffic laws, and administer first aid until medical personnel arrive.

Police Officer candidates must be United States citizens and at least 21 years of age. Candidates must also possess an Associate's Degree or 60 college credits from an accredited university or technical college and maintain a valid driver's license and hold a good driving record.

For more information contact Officer Dan Wiechman @ 920-720-7109 or visit our website at <http://www.foxcrossingwi.gov/>.
